Dear Mr. Johnson:

Re: Release of Excess Funds, Minerals West Incorporated, Mi Vida Mine, M/037/028,  
San Juan County, Utah

The Division agrees to the release of excess funds, from the reclamation surety account, posted by Minerals West Inc. for the Mi Vida Mine. The account balance must remain at \$15,773.90 (1989 dollars). You indicated earlier that the account currently contains \$18,311.00. This would allow for a release of \$2,538.00 from the account.

The Division is considering the release of the remainder of these funds at a later time once it is established that the site is under 5 acres, and either Minerals West Inc. or Energy Fuels has refiled a Small Operators Notice of Intent.

If you have any further questions, please call Lowell Braxton or Holland Shepherd.

Sincerely,

Dianne R. Nielson  
Director
